Bespoke length available	No
Width (mm)	-
Gauge (mm)	-
Weight (kg/lm)	-

Performance

Here we only provide performance information related to the product. Please see the White Book online for system-dependent performance.

Standards

No harmonised standard.

Reaction to fire	No performance determined, please contact Technical Support on gyproc.ie for product component risk assessment
------------------	---

Installation

Please see our White Book online for more information about installing and handling Gyproc systems and Gypframe profiles. See the Gypframe Safety Data Sheet for guidance on health and safety, handling and storage.

Fixing compatibility

Check the system specification for the required Gyproc screw type.

Storage

The products should be stored inside on a flat and stable surface, away from any sources of moisture, heat or direct sunlight. If storing on a concrete floor, use dry timber platforms.

The products should not be stored near any edges, openings, walkways or traffic areas, where they could fall or cause obstruction.

Safety Data Sheet

Safety data sheet (SDS) available on www.gyproc.ie

Packaging overview

Supplied in a cardboard box.

Quantity per pack	100
-------------------	-----

Environmental

Recyclability

Gypframe components are 100% recyclable.

Disposal

Waste from Gypframe metal framing components is fully recyclable. The European Waste Catalogue code is 12 01 01.
