

## PRODUCT DATA SHEET

# GYPFRAME<sup>®</sup> MF8 STRAP HANGER

## Applications

Use to suspend GypCeiling MF system.

## Product information

### Composition

Steel.

### Colour

Steel.

## DIMENSIONS AND WEIGHTS

|                          |        |
|--------------------------|--------|
| Lengths available (mm)   | 25,000 |
| Bespoke length available | No     |
| Width (mm)               | 25     |
| Gauge (mm)               | 0.60   |
| Weight (kg/lm)           | -      |

## Performance

Here we only provide performance information related to the product. Please see the White Book online for system-dependent performance.

## Standards

EN 13964:2014.

|                  |    |
|------------------|----|
| Reaction to fire | A1 |
|------------------|----|

## Installation

Please see our White Book online for more information about installing and handling Gyproc systems and Gypframe profiles. See the Gypframe Safety Data Sheet for guidance on health and safety, handling and storage.

## Fixing compatibility

Check the system specification for the required Gyproc screw type.

## Safety Data Sheet

Safety data sheet (SDS) available on [www.gyproc.ie](http://www.gyproc.ie)

## Packaging overview

Supplied as a coil with a label.

|                   |        |
|-------------------|--------|
| Quantity per pack | 1 coil |
|-------------------|--------|

## Environmental

### Recyclability

Gypframe components are 100% recyclable.

### Disposal

Waste from Gypframe metal framing components is fully recyclable. The European Waste Catalogue code is 12 01 01.
